How it works ?

4a. The Chapter will be charged fees for each transaction you make. We are asking that you cover these costs rather than pass onto the Chapter. The fees are 2.2% of the amount payed plus 30 cents per transaction.

The following example is a payment for one of our lunch meetings. The lunch cost is \$35. So the fees are 80 cents plus 30 cents or \$1.10. Therefore the amount to send is \$36.10.

Another example would be payment of typical annual dues of \$80.00. In this case the fees would be \$1.81 plus 30 cents or \$2.11. So at least \$82.11 should be sent.

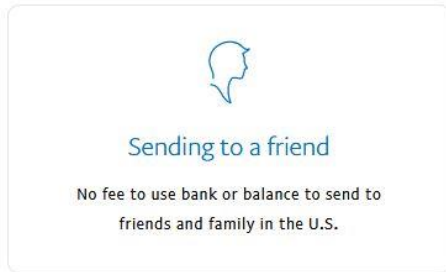

4b. Enter (a) amount to send, (b) what payment is for, (c) and Recipient's name.

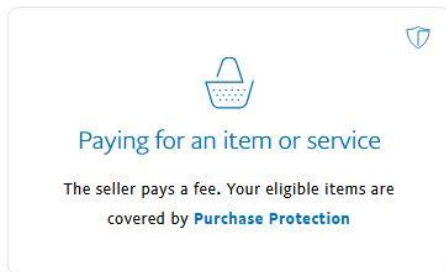

The screenshot shows the PayPal payment entry interface. At the top, there is a navigation bar with the PayPal logo and menu items: Summary, Money, Activity, Reports, Tools, More, and Help. Below this, the payment amount is shown as "\$ 36.07" with a currency selector set to "USD". The payment description is "Payment for lunch on 1/11/2020". Underneath, there are two input fields: "Recipient's name" with the value "Colonel William Grayson Chapter" and "Recipient's country or region of residence" with a dropdown menu set to "United States". A link to "View PayPal policies and your payment method rights." is provided. At the bottom, there is a blue "Continue" button.
